

ICBC Coverage

If your accident happened on or after April 1, 2019 ICBC gives you 12 appointments to use within 12 weeks.

If your accident happened before April 1, 2019 you may still be approved for massage appointments, but your adjuster will decide how many and by when they need to be used.

When you are booking an appointment please let the person you are speaking with know if you are booking because you were involved in a car accident.

You will need to provide us with your full legal name, birth date and your ICBC claim #.

ICBC will pay on your behalf **\$107.00** (plus GST) towards your first appointment and **\$80.00** (plus GST) towards every subsequent appointment.
