

Medical Services Plan Coverage (MSP)

At Trikinetic we can bill to **BC Medical Services Plan (MSP)** on your behalf and have the payment mailed to your home. You will need to provide us with your Personal Health Number/Care card # (PHN), birth date and mailing address to do so.

MSP allows coverage of what they refer to as “supplementary benefits”. By that they are referring to the following services:

- acupuncture;
- chiropractic;
- **massage therapy**;
- naturopathy;
- physical therapy

MSP coverage for these supplementary benefits services may be available to the following people:

- MSP Premium Assistance Recipients;
- Income Assistance recipients;
- Convention refugees;
- Residents of long term care facilities receiving the Guaranteed Income Supplement (GIS);
- Individuals enrolled with MSP as Mental Health Clients; and
- First Nations individuals with valid B.C. Medical Plan coverage through the First Nations Health Authority.

Call MSP at 1-800-663-7100 to find out if you have coverage or how to apply. If you are First Nations you may also call FNHA health benefit support line at 1-855-550-5454.

For those eligible for MSP supplementary benefits, **MSP reimburses \$23 per visit for a combined annual limit of 10 visits each calendar year.**
